STREAMLINED SUPPLIES

The Florida Collection

Supplied and installed

Windows, doors, stone, cabinetry and finishes for Florida homes, from one source.

STREAMLINEDSUPPLIES.COM

FOR FLORIDA HOMES

Everything the house needs, and the crew to install it

Our factories supply the finish materials for your home, and our team installs them on site. We handle the takeoff, the shop drawings, the delivery and the installation.

- Factory-direct windows, doors, stone, cabinetry and finishes
- Made to the sizes on your plans
- Shop drawings and samples before production
- Installation available on everything we supply

Railing 17

Furniture 18

OPENINGS

Windows

Aluminum and uPVC windows made to the openings on your plans. Tell us the wind zone and product approvals your site requires and we quote to them.

OPERATION
Casement, fixed, sliding, single hung, tilt-turn

FRAMES
Thermal-break aluminum and uPVC

GLAZING
Insulated, laminated and tempered glass

FINISH
Standard and custom colors

Supply and installation available.

OPENINGS

Sliding glass doors

Multi-panel sliders that open living rooms to the lanai and pool deck, built in the same frame and color as the windows.

SYSTEMS
Two to six panels, stacking and pocketing

THRESHOLDS
Low-profile and flush track options

GLAZING
Insulated, laminated and tempered glass

HARDWARE
Handles, locks and screens to match

Supply and installation available.

OPENINGS

Bifold doors

Folding glass walls that stack clear of the opening, for great rooms, summer kitchens and pool houses.

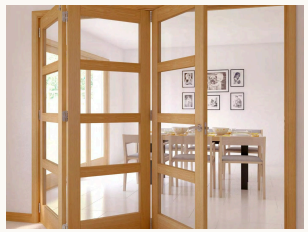
PANELS
Three to eight leaves, inward or outward stacking

FRAMES
Aluminum and wood-look finishes

GLASS
Clear, tinted and laminated options

DETAILS
Flush sills, integrated screens

Supply and installation available.



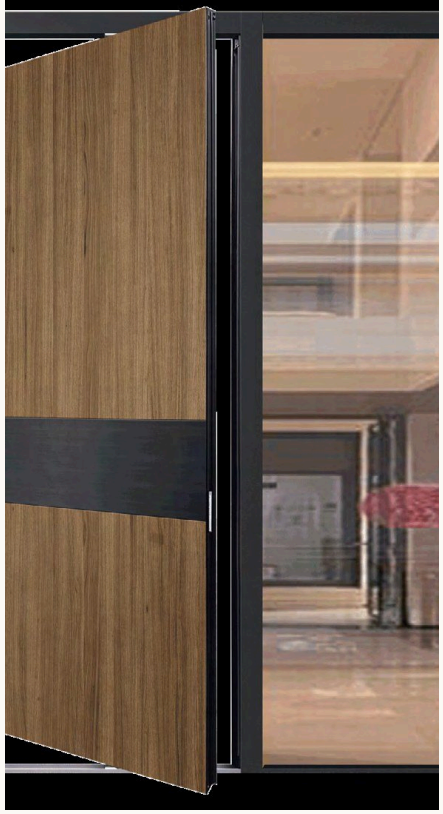
OPENINGS

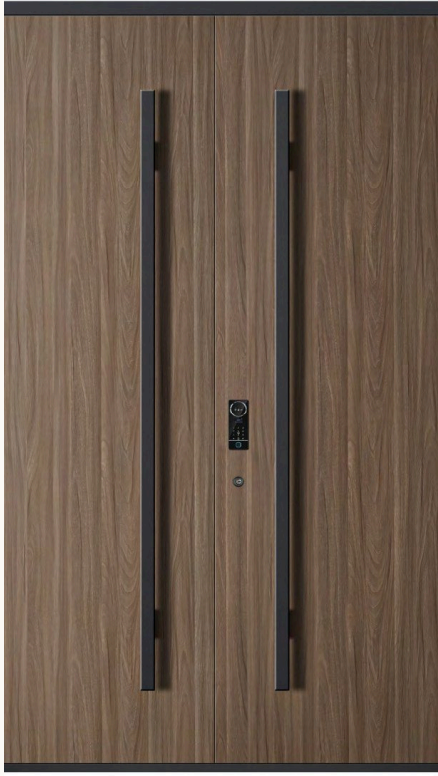
Custom iron and steel entry doors

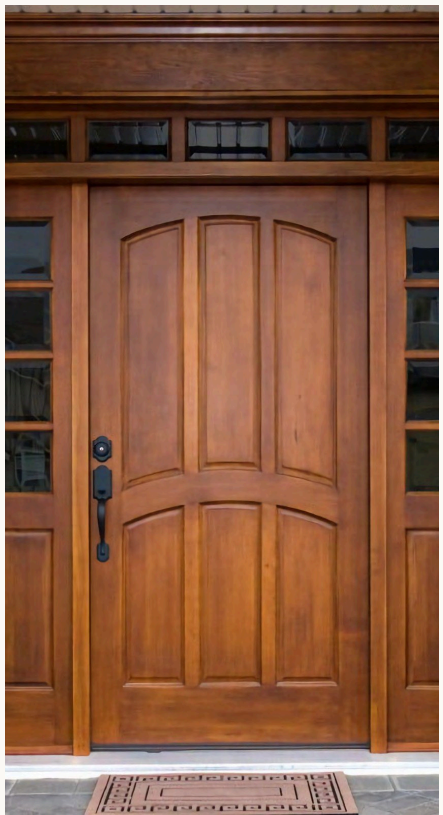
Single and double entry doors in iron and steel with glass, sidelights and transoms, made to the opening and finished for the coast.

- Arched, square and double doors
- Clear, frosted and privacy glass
- Custom scrollwork and modern grids

Supply and installation available.







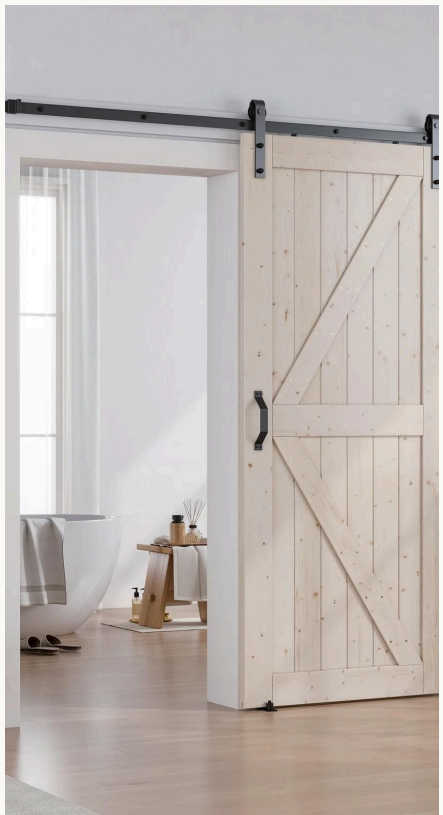
OPENINGS

Custom interior doors

Painted, stained and veneered doors with matching jambs and casing, in the heights and styles drawn for your home.

- Panel, flush and glass-lite doors
- Double, pocket and barn-track doors
- Tall doors to eight feet and above

Supply and installation available.



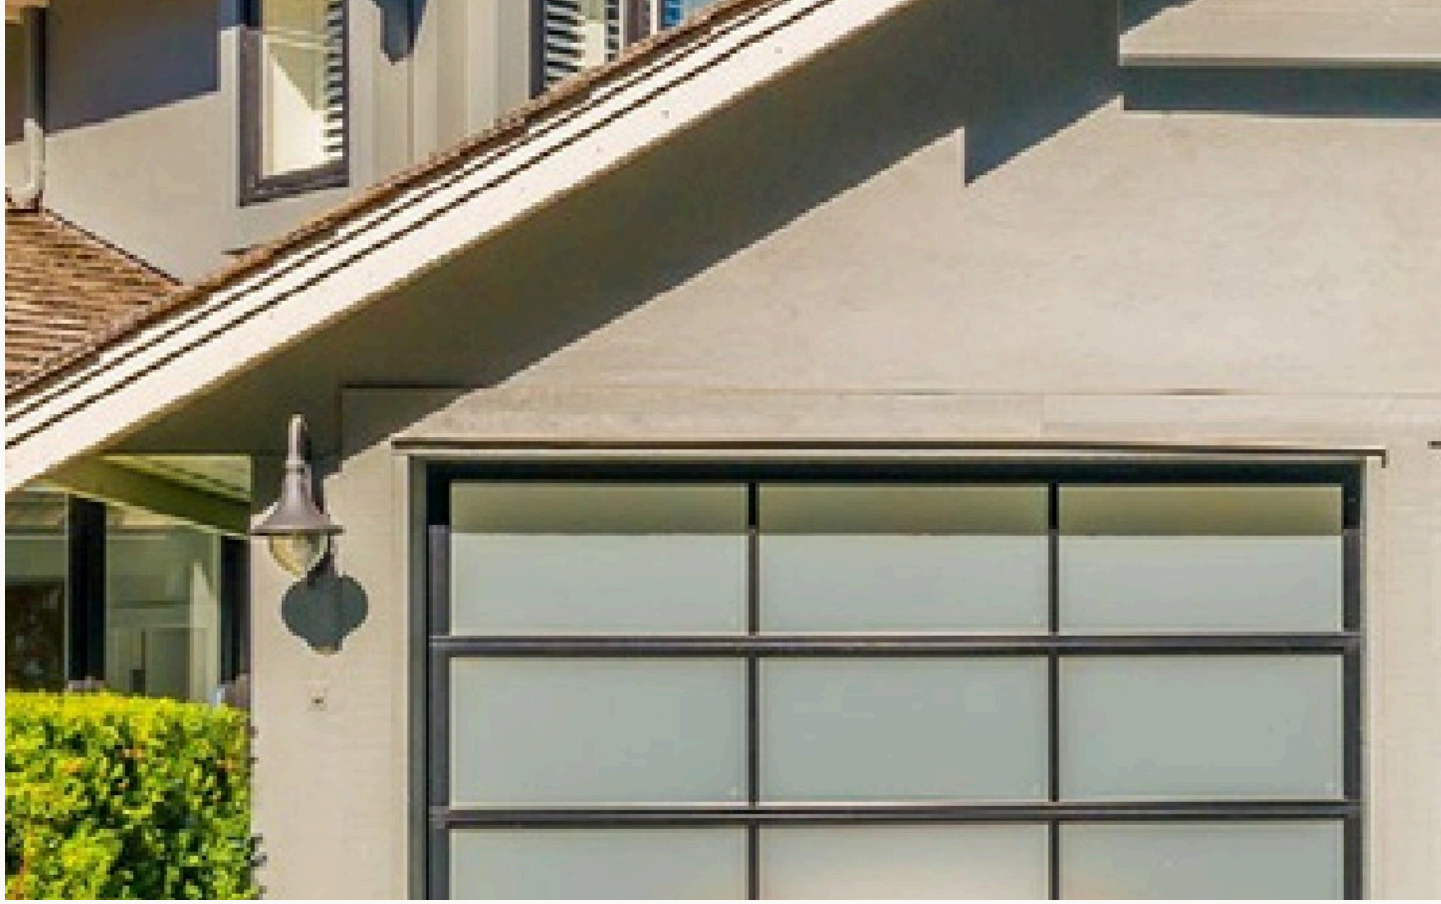
OPENINGS

Garage doors

Sectional garage doors in full-view glass, wood-look and insulated steel, sized for single, double and oversized bays.

- Full-view aluminum and glass
- Wood-look and flush panel
- Openers and hardware

Supply and installation available.



INTERIORS

Cabinets

Kitchens, baths, closets and built-ins made from your drawings, with shop drawings issued for approval before production.

ROOMS
Kitchens, pantries, baths, closets, bars

FRONTS
Painted, veneer, lacquer and glass

INTERIORS
Pull-outs, organizers, soft-close hardware

OUTDOOR
Summer kitchen cabinetry

Supply and installation available.

SURFACES

Flooring

Engineered hardwood in plank, herringbone and chevron, with stair treads and trim made from the same run.

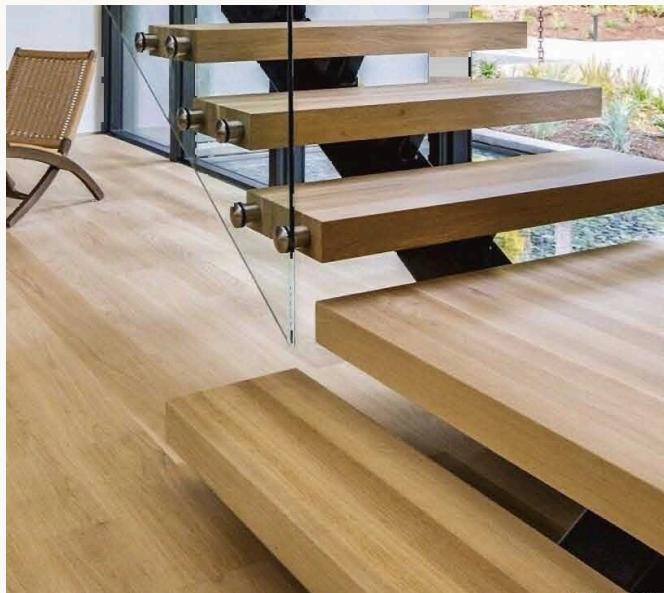
FORMATS
Wide plank, herringbone, chevron

SURFACE
Brushed, smooth and matte finishes

MATCHING
Stair treads, nosings and vents

ALSO
Wood-look porcelain for wet areas

Supply and installation available.



SURFACES

Tile

Large-format porcelain for floors, showers and feature walls, in finishes that run from the great room out to the lanai.

- Large-format floor and wall tile
- Matte, polished and textured finishes
- Matching indoor and outdoor surfaces

Supply and installation available.

SURFACES

Slabs

Quartz, printed quartz and natural stone slabs selected by color and veining, then cut to your countertop drawings.

- Kitchen islands and countertops
- Vanities and full-height splashes
- Fireplace and feature walls

Supply and installation available.

OUTDOOR

Pavers

Porcelain and natural stone pavers for pool decks, driveways and terraces, with coping and step treads to match.

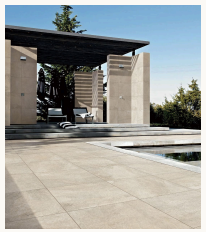
PAVERS
20 mm porcelain, travertine, limestone

SURFACE
Slip-resistant finishes for wet areas

PIECES
Pool coping, step treads, wall caps

INSTALL
Sand-set, mortar-set or pedestal

Supply and installation available.



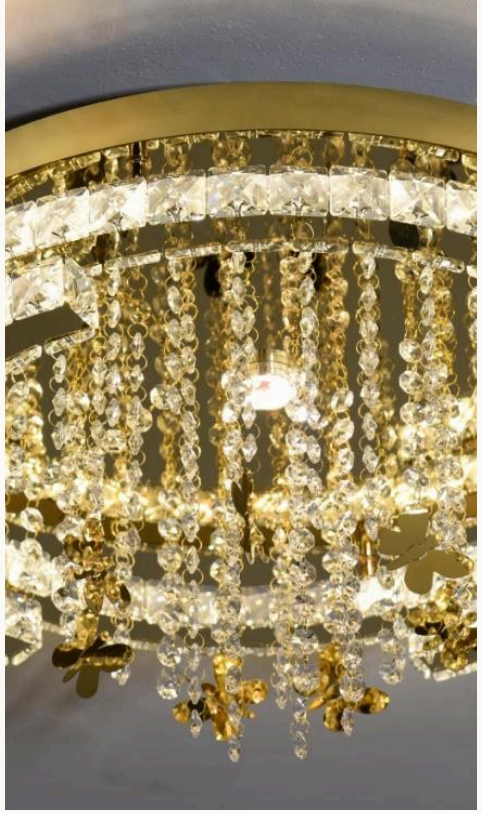
INTERIORS

Chandeliers

Statement fixtures for entries, dining rooms and stair halls, including pieces sized for a specific ceiling.

- Crystal and glass chandeliers
- Custom sizes and finishes
- Flush mounts, pendants and wall lights

Supply and installation available.



INTERIORS

Fireplaces

Linear gas and electric fireplaces for great rooms and covered lanais, coordinated with the stone surround.

- Linear and traditional gas units
- Electric and water-vapor fireplaces
- Outdoor fire features

Supply and installation available.

OUTDOOR

Railing

Glass, cable and metal railings for balconies, stairs and pool decks, fabricated from site measurements.

SYSTEMS

Frameless glass, cable, rod and picket

MATERIALS

Stainless steel and aluminum

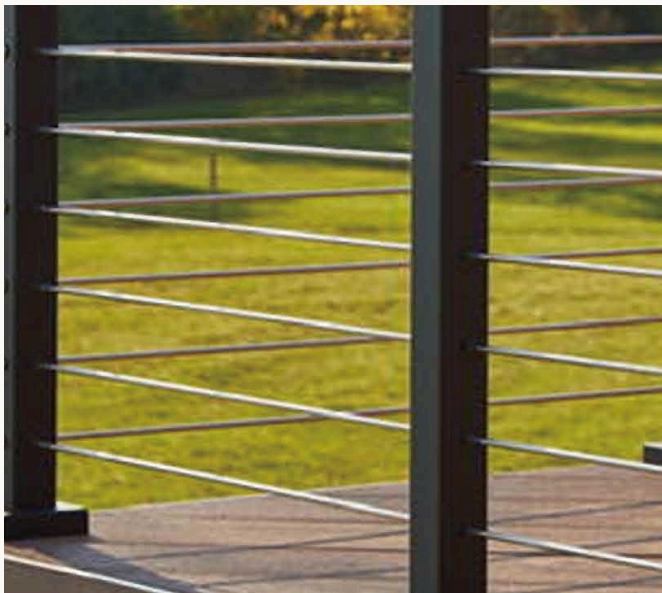
FINISH

Brushed, polished and powder coat

STAIRS

Floating, curved and straight stairs

Supply and installation available.



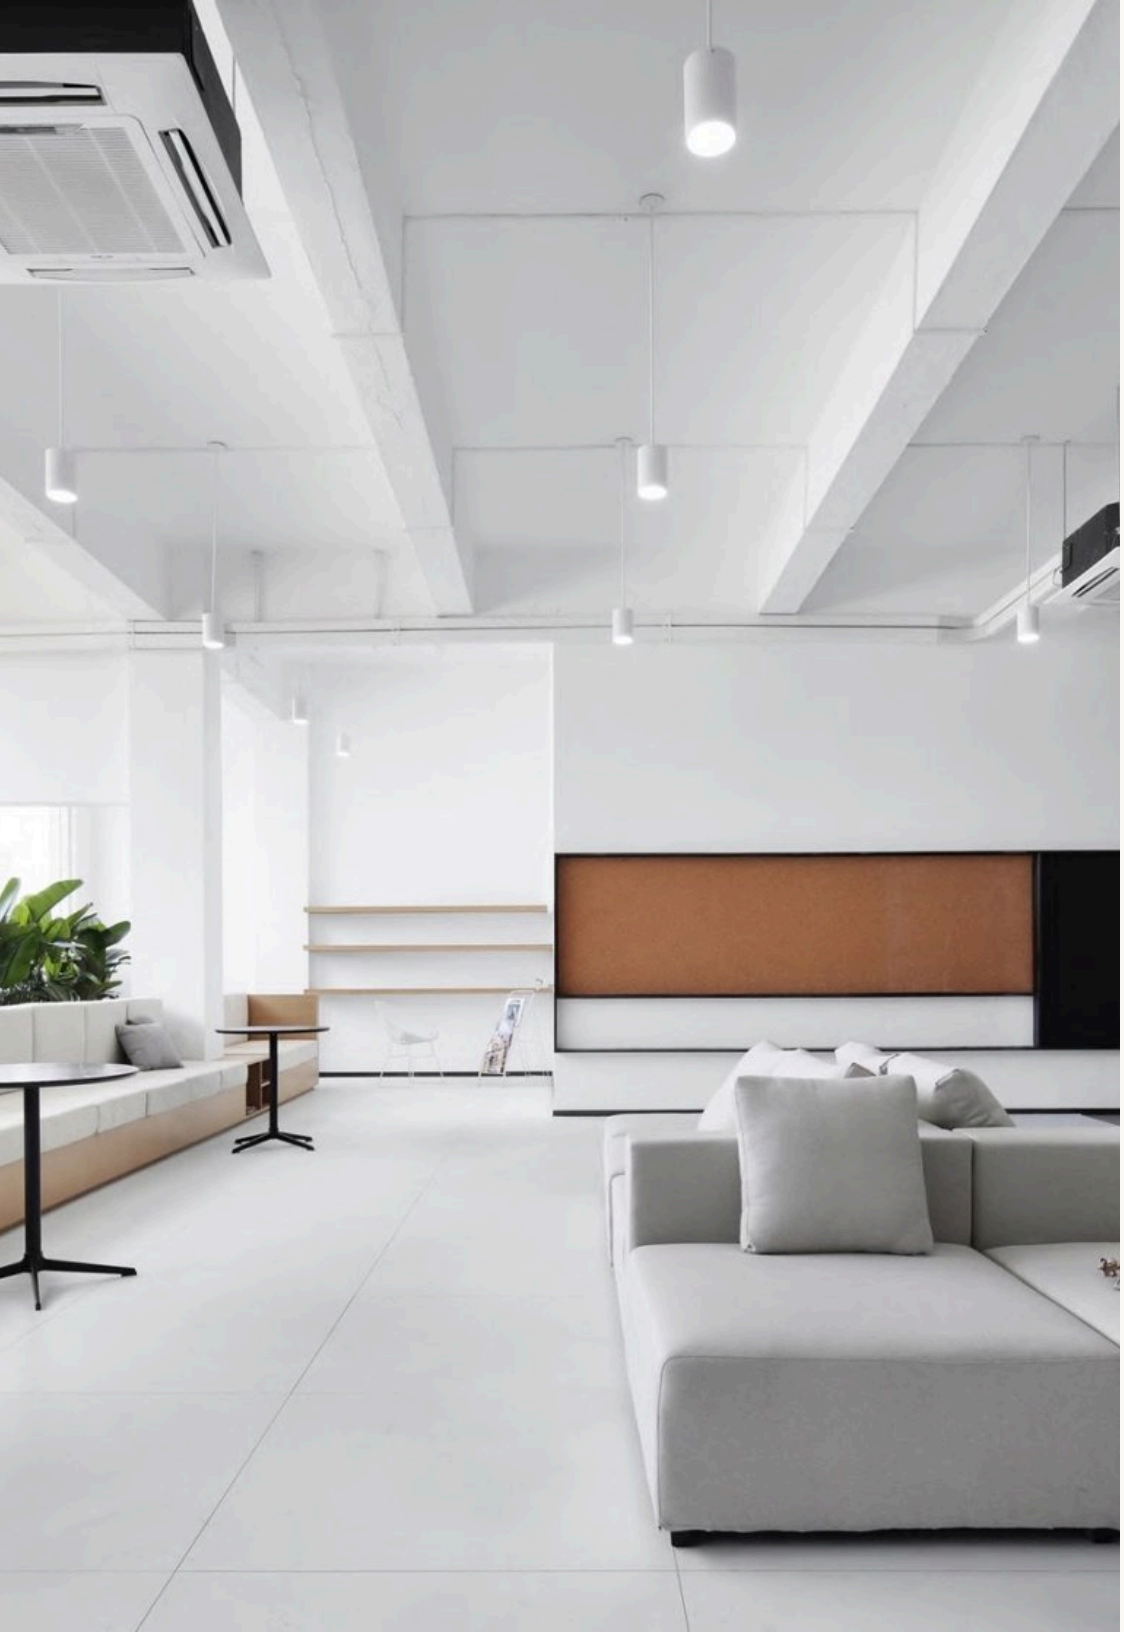
INTERIORS

Furniture

Indoor and outdoor furniture made to order, so the pieces arrive in the sizes, frames and fabrics chosen for each room.

- Seating, tables and beds
- Teak and aluminum outdoor pieces
- Custom sizes and upholstery

Supply and installation available.



INSTALLATION

Supplied and installed

We offer installation on everything in this collection. The same team that orders your materials schedules the crews, so deliveries and install dates are planned together.

- Windows and sliding doors
- Bifold and entry doors
- Interior doors and trim
- Garage doors
- Cabinetry and closets
- Flooring and tile
- Slabs and countertops
- Pavers and pool decks
- Lighting and fireplaces
- Railings and stairs

How an order runs

1

Send the plans

Share drawings, a schedule or a finish list. We take off quantities and note anything that needs a decision.

2

Review options

You receive options with pricing, finishes and lead times laid out side by side.

3

Approve drawings

Shop drawings and samples come to you for sign-off before production.

4

Deliver and install

We coordinate delivery to the site and our crews install what we supply.
